Currently Address: Street 1986, Sangkat Phnom Phenh Tmey, Khan Sen Sok, Phnom Penh, Cambodia.

ABOUT ME

Computer Science student and aspiring front-end / full-stack developer who builds responsive, user-friendly web applications with Vue.js, Node.js, Express.js and MySQL. Completed a 700-hour web development scholarship program and delivered academic projects from UI design through to REST API development. Reliable, quick to learn, and a collaborative team member.
